

**GET UP AND DUST OFF**

© Belinda McArdle 2012

I'm gonna get up (get up)  
Get up (get up)  
Get up and dust off (dust off)  
I'm gonna get up (get up)  
Get up (get up)  
Get up and dust off (dust off)  
And shine – and shine  
my ray of light  
And shine and shine and shine my ray of light
