

SOUL DANCE

© Belinda McArdle 2005

If your soul wants to dance
If your soul wants to dance
If your soul wants to dance
Let it dance let it dance
If your soul wants to dance
Let it dance

If your heart needs to cry
If your heart needs to cry
If your heart needs to cry
Let it cry Let it cry
If your heart needs to cry
Let it cry

If your dreams want to fly
If your dreams want to fly
If your dreams want to fly
Let them fly let them fly
If your dreams want to fly
Let them fly

If your mind questions why
If your mind questions why
If your mind questions why
Let your soul out to dance
Let your soul out to dance
Let it fly
