

**WHEREVER YOU GO**

© Belinda McArdle 2008

A Simple Prayer  
A perfect wish  
A ray of hope  
For your relief

**Wherever you go  
Wherever you go  
Wherever you go**

A simple prayer  
A perfect wish  
The strength of angels  
They spread your gifts

**Wherever you go  
Wherever you go  
Wherever you go**

A silent prayer  
A perfect wish  
You know you're carried  
Through all of this

**Wherever you go  
Wherever you go  
Wherever you go**  
(repeat last 2 lines)
